## Resident of the Month

Clarence, "Sam", Driscoll was born in Lone Tree, Iowa. He grew up on a farm with his four siblings. One of his favorite childhood memories is riding his best-loved horse, "Queenie". Sam went to school in a one room school house until the 8<sup>th</sup> grade. He then moved on to a public high school in Iowa City. After graduating, Sam enlisted in the army and was trained as a paratrooper. He then joined the reserves and was later called into service during the Korean War. After returning back home from the war, Sam went on to get his degree in Accounting.

Sam spent most of his career as an accountant at Oscar Mayer until retiring in 1992. When he first starting working at Oscar Mayer, one of Sam's colleagues looked at his birth name, Clarence, and said, "I can't call you that." So his colleague decided to call him Sam. The name stuck and he was forever thereafter Sam. He met his future wife, Marcia, through another colleague who set them up on a blind date.

Sam and Marcia were married for 46 years until her passing in 2006. They moved to Wisconsin in 1975 when Sam received a job promotion with Oscar Mayer and was transferred to the corporate office in Madison. Together they raised four children. Sam now has his four children, ten grandchildren, and five great-grandchildren. He is very much loved by his family and continues to enrich us all with his kind heart and sense of humor.

Sam loves the game of golf. Growing up in Iowa, he will always be a Hawkeye's fan. With his dedication to serving others, Sam enjoyed volunteering at the Veterans museum and was a member of the Madison East Rotary until a few years ago. Sam has always looked forward to his travels overseas and here in the U.S. He especially loved his many trips to Florida for more golf during the cold Wisconsin winter months. Sam has two trips to look forward to this year. He will be attending the weddings of two of his grandchildren. One will be in Napa Valley, CA and the other in Lacrosse, WI.

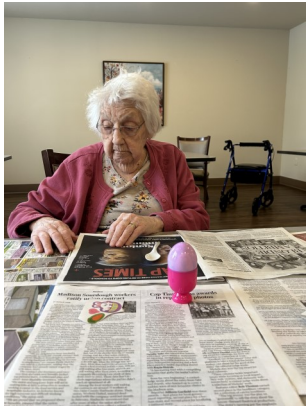

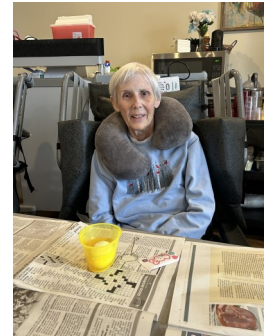

Sam lived independently in his condominium until 96 years of age and recently became part of the Home Again Family. His favorite thing about Home Again is all the friendly staff and residents.

# *Employee of the Month*

Hi my name is Oceanna! I have worked at Home Again for 9 months. I'm a senior at Waunakee High School and after high school, I plan on going to Madison College for my first 2 years and then UW Madison or Edgewood my last two years. I am going to be majoring in nursing and I plan to be a labor and delivery nurse. Since working at Home Again, I have learned how to care and comfort for residents. My favorite part about the job is talking with the residents and learning more about them. When I am not working, I love to hang out with my friends and family.
