Monthly Costs

TYPICAL RESIDENT MONTHLY RANGE	CURRENT RESIDENT AVERAGE
$3,950 to $8,500	**About $6,000**

Your monthly total combines three parts:

APARTMENT RATE		FOUNDATIONAL SERVICES		INDIVIDUALIZED CARE
$3,500-$4,700	+	**$450 per month**	+	**$0-$3,350**
Varies by apartment		Applies to every resident		$0 for independent residents

ONE-TIME ENTRANCE FEE

$2,000 due at admission

SECOND OCCUPANT ROOM FEE

+$750 per month

Plus each resident's service charges and foundational services.

What the apartment rate covers

Your private apartment, utilities, basic cable, Wi-Fi, weekly laundry and housekeeping, daily meals with menu choices, activities, and community amenities.

How care charges are determined

Our assessment prices the specific services a resident needs rather than placing every resident into a tiered package.

The monthly range combines the charges shown above; the average reflects current residents. Individualized care ranges are estimates, not caps. In unique situations involving higher care needs, care charges and monthly totals may exceed these ranges. The entrance fee is separate.

What Families Can Expect

Care planning together

Residents, families, and our clinical team build the plan around goals, preferences, and assessed needs.

Charges tied to services

Care charges change when the services a resident needs and receives change.

A clear explanation

We explain what changed, why it changed, and how it affects the monthly charge.

Ongoing review

The plan can be updated as health, mobility, cognition, behavior, or safety needs change.
