MOMENTS THAT MATTERED

Margaret

SEPTEMBER 2026 / WAUNAKEE

This Month's Story

Margaret took part in watercolor painting and flower arranging this month. She also joined baking hour and trivia, spent time on the patio, and enjoyed a visit from a therapy dog.

Wellness Snapshot

Margaret has generally remained comfortable and in good spirits. Staff have noticed more agitation in the evenings, but have been able to help her settle. They continue to watch for possible triggers and other changes.

A month in moments

SEPTEMBER 2026

FAVORITE MOMENT

Margaret proudly shared her sunflower arrangement with Cindy. The two residents enjoyed talking and admiring the flowers together. Margaret had a smile on her face the entire time.

Because every smile, every conversation and every shared moment matters.
